

## **SECTION G**

### **CONTRACT ADMINISTRATION**

#### **G.1 AUTHORIZED USERS**

Only authorized users may place orders under the Basic Contract. In order to qualify as an authorized user, a duly warranted Contracting Officer (as that term is defined in FAR Subpart 2.1) in good standing must have an appropriate signed delegation of procurement authority (DPA) from GSA. For purposes of this Basic Contract, these authorized users are identified as Ordering Contracting Officers (OCOs).

This Basic Contract is for use by all Federal agencies, and others as listed in General Services Administration (GSA) Order ADM 4800.2H, ELIGIBILITY TO USE GSA SOURCES OF SUPPLY AND SERVICES, June 2013, as modified from time to time.

#### **G.2 ROLES AND RESPONSIBILITIES**

This section describes the roles and responsibilities of Government personnel after Basic Contract award. The Government may modify the roles and responsibilities at any time during the period of performance of the Basic Contract.

##### **G.2.1 GSA Program Manager (PM)**

The Government has appointed a Program Manager (PM), who shall perform various programmatic functions for the overall success of the Future COMSATCOM Services Acquisition (FCSA) program, including Complex Commercial SATCOM Solutions (CS3). The PM has no actual, apparent or implied authority to bind the Government for any acts or omissions.

##### **G.2.2 Procuring Contracting Officer (PCO)**

The GSA PCO is the sole and exclusive Government Official with actual authority to award the Basic Contract. After award of the Basic Contract, the GSA PCO may delegate any or all of the contract administration functions described in FAR 42.302 and may appoint an Administrative Contracting Officer (ACO) to perform administration functions described in FAR 42.302.

##### **G.2.3 Ordering Contracting Officer (OCO)**

As described in Section G.1, only an authorized user, who is a delegated OCO, may place and administer an Order under the Basic Contract. A Statement of Work (SOW)

or Performance Work Statement (PWS) must be submitted to the GSA PCO and GSA PM for a scope review according to Section G.3.2.

The OCO for each Order is the sole and exclusive Government Official with actual authority to take actions which may bind the Government for that Order. Contractors shall ensure that an OCO has the required DPA. Contractors that accept orders from a Government representative who does not have the authorized DPA do so at their own risk. To ensure the required delegation, Contractors may request a copy of the OCO delegation prior to award of an Order if the Contractor does not have a copy of the OCO delegation.

#### **G.2.4 Contracting Officer's Representative (COR)**

The PCO will designate a COR at the basic contract level to monitor the basic contract-level deliverables. At the Task Order level, the OCO may designate a COR to provide assistance to the OCO.

The specific rights and responsibilities of the CORs shall be described in writing, which upon request shall be provided to the Contractor. A COR has no actual, apparent or implied authority to bind the Government.

#### **G.2.5 Ombudsman**

Pursuant to FAR 16.505 (a)(10)(i) no protest is authorized in connection with the issuance or proposed issuance of an order under a task-order contract or delivery-order contract, except for (A) a protest on the grounds that the order increases the scope, period of performance, or maximum value of the contract; or (B) a protest of an order valued in excess of \$10 million.

GSA has appointed an Ombudsman to review complaints from Contractors and ensure they are afforded a fair opportunity to be considered. The Ombudsman is a senior GSA official who is independent of the GSA PCO or OCO.

### **G.3 ORDERING PROCEDURES**

**G.3.1** Ordering procedures must comply with the following:

**G.3.1.1** FAR 16.505;

**G.3.1.2** Orders are not exempt from the development of acquisition plans (see FAR Subpart 7.1), and an information technology acquisition strategy (see FAR Part 39);

**G.3.1.3** The OCO shall include the evaluation procedures in Task Order Requests (TORs) and establish the time frame for responding to TORs, giving Offerors

a reasonable proposal preparation time while taking into account the unique requirements and circumstances of the effort;

- G.3.1.4** Orders shall be within the scope, issued within the period of performance, and be within the maximum value of the Basic Contract;
- G.3.1.5** All costs associated with the preparation, presentation, and discussion of the Offeror's proposal in response to a TOR will be at the Offeror's sole and exclusive expense; and
- G.3.1.6** All orders placed under the Basic Contract are subject to the terms and conditions of the Basic Contract at time of order award. In the event of any conflict between the Order and the Basic Contract, the Basic Contract will take precedence.
- G.3.1.7** Orders placed by OCOs may include required Agency provisions/clauses.
- G.3.1.8** Orders may be issued by any electronic commerce methods deemed acceptable by the Ordering Activity.

### **G.3.2 Statement of Work/Performance Work Statement**

Per FAR 37.102(e), to the maximum extent practicable, the Ordering Activity shall describe the need to be filled using performance-based acquisition methods. A written SOW or PWS will always be used. The OCO will provide the SOW/PWS to the GSA PCO and GSA PM. The GSA PCO will provide a scope determination to the OCO.

Any changes to the SOW/PWS or expansion of the original requirement will require an additional scope review by the GSA PCO.

Scope reviews can be conducted by GSA and completed in parallel with the OCO's Task Order acquisition activities. In Task Orders requiring immediate delivery of service for an urgent requirement, the GSA scope review may be completed after the Task Order is awarded.

### **G.3.3 Fair Opportunity**

OCO's must follow the Fair Opportunity procedures specified in FAR 16.505(b)(1) and the exceptions to Fair Opportunity in FAR 16.505(b)(2). Use of the GSA eBuy system by the OCO will ensure that all Basic contract holders are notified of each Task Order request. Information and instruction on the use of the eBuy system is furnished at [www.gsa.gov/ebuy](http://www.gsa.gov/ebuy)

### **G.3.4 Order Evaluation**

FAR Subpart 15.3 does not apply to the ordering process. Formal evaluation plans or scoring of quotes or offers are not required; however, the OCO must consider price under each Order as one of the factors in the selection decision pursuant to FAR 16.505(b)(1)(ii)(E).

### **G.3.5 Subcontractors**

The Government has not pre-approved any Subcontractors in making awards for the Basic Contract. If a Contractor proposes a Subcontractor for work performed under an Order, the Contractor must comply with FAR 52.244-6 and/or FAR 52.244-2, and FAR Part 44. The Government reserves the right to determine the responsibility of prospective major Subcontractors.

### **G.4.1 System for Award Management (SAM)**

Registration requires that the Contractor be issued a Data Universal Numbering System (DUNS) number. Contractors may obtain information on registration at <https://www.acquisition.gov>. Contractors may obtain a DUNS number via the Internet at <http://fedgov.dnb.com/webform>.

### **G.4.2 GSA Management Fee**

The GSA Management Fee for the CS3 contracts is two percent (2%). This fee shall be included in all prices. The Contractor shall not invoice for the GSA Management Fee as a separate line item.

The Contractor shall make Electronic Funds Transfer (EFT) arrangements for payment of the GSA Management Fee. The Contractor shall forward fees collected to the GSA Finance Office by EFT within 30 calendar days of the close of each calendar month for which the fees apply. Failure to pay the fee within 60 calendar days may result in termination of this contract.

The Contractor must maintain the minimum insurance coverage for the entire term of CS3.
